

Remote Learning at Birch Wood

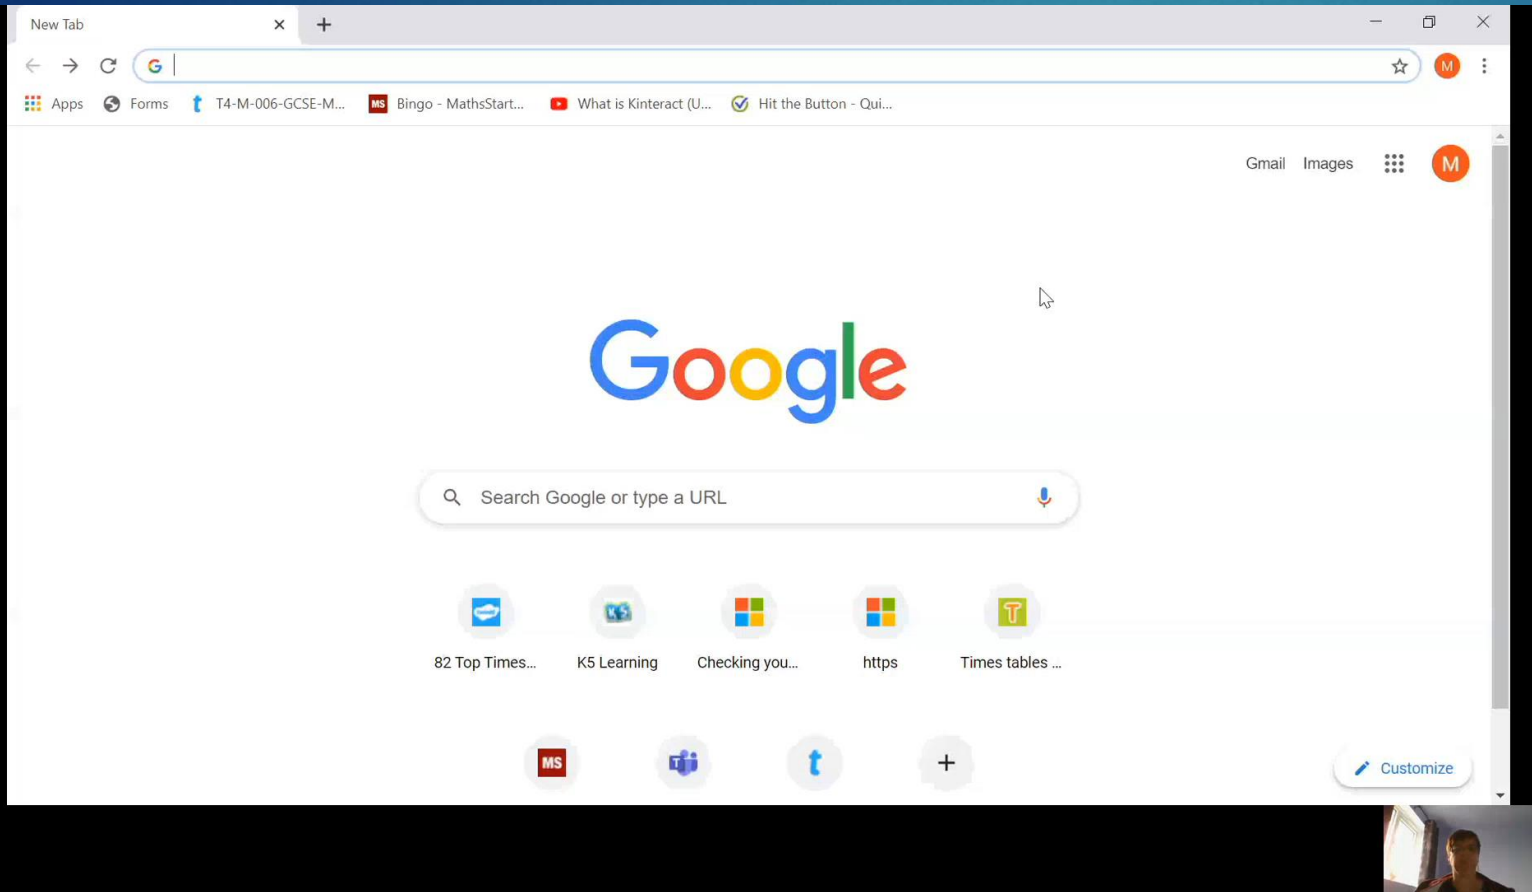

How to access home learning?

Across all Birch Wood sites we are continuing to support your child's education during the national lockdown through a number of strategies. These may include;

- ▶ In consultation with parents, time in school within a smaller, more secure bubble.
- ▶ Live/Recorded lessons via Microsoft Teams with your teachers.
- ▶ Assignments/Activities uploaded onto Microsoft teams for your child.
- ▶ Feedback given to your child, via teams on the work they have completed.
- ▶ For some students where online learning is not appropriate packs of work are sent home regularly.
- ▶ Therapies and support offered remotely or in school if appropriate.
- ▶ Regular Support and contact with your child's class team

Accessing Microsoft Teams

Video Instructions

**Written/Picture
instructions on using
Microsoft Teams can
be found by
following the link
below**

Accessing Microsoft Teams from Playstation 4 or X-Box

DN COLLEGES GROUP

Using PlayStation to Access Online Learning

It is possible to access your online work from home using a gaming console. These short tips will show you how.

1. Plug your **keyboard** into the USB slot on your PS
2. Press the PlayStation logo on the controller
3. Navigate to the **Library** and then **Games and Applications**
4. Find the **Internet Browser** in the Apps section and then open it. In the address bar, type in **office.com**
5. Sign in using your **College email address and password**
6. You should now be able to access the Microsoft suite of apps from the **waffle in the top left corner** including **Teams, Word, Powerpoint, Excel** etc

Using Xbox to Access Online Learning

It is possible to access your online work from home using a gaming console. These short tips will show you how.

1. Plug your **keyboard** into the USB slot on your Xbox
2. Navigate to the '**My Games and Apps**' section
3. Find '**Microsoft Edge**' in the Apps section and then open it
4. In the address bar, type in **office.com**
5. Sign in using your **College email address and password**
6. You should now be able to access the Microsoft suite of apps from the **waffle in the top left corner** including **Teams, Word, Powerpoint, Excel** etc
