# Coronavirus/ Covid19

- Coronavirus can be called Covid19.

- Coronavirus is a new type of flu.

- A flu will make you feel

sick, but it is ok, you will

feel better again.

- I can keep safe from Coronavirus by

washing your hands with soap and water.

- I will wash my hands before I eat my

food.

- I will wash my hands after I sneeze,

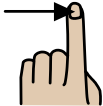

blow my nose or touch my mouth.

- I will wash my hands after I go to the toilet.

- I will be safe with my lovely clean hands.

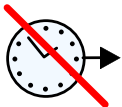

- 

 I will not bite my nails or put my hands in

  
 my mouth.

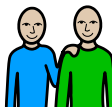

- 

 I will cover my mouth when I cough or sneeze.

- 

 If I am feeling ill, I will tell a grown-up.

- 

 I will not give my friends or staff high fives, hugs

  
 or fist bumps until everyone is feeling better.

- 

 I can do other things to be friendly, like give them a

  
 wave, an elbow bump or a dab!

- Just like other types of flu, Coronavirus

will go away soon.

- I don't need to feel worried, but If

do

I

can

talk

to an

grown-up.

- I will keep safe! Hurray!
